

Questionnaire for Horses in Training

107–MISTER BLUE

OR 64

Trainer: **Michael Bell**

Last run: **19th March 2021 (Class 5) Handicap, Southwell (AW) over 1m 4f (2nd/4)**

Entries (from RP website): -

1. Best distance? **1m 4f**
2. Best going? **Good**
3. Left or right handed track? **No preference**
4. Good to ride at home? **Yes**
5. Suitable ride for an apprentice or an amateur rider? **Yes**
6. Any training issues? **Has had a problem with his hind hoof wall**
7. Any suggestions for improvement (e.g. gelding, change of scenery, etc.)? **Not applicable**
8. Does headgear help (blinkers, hoods, cheekpieces, tongue ties) or if not used, might it help? **Don't know**
9. Why unraced (if applicable)?
10. Why not run since last start (if more than 4 weeks)?
11. Due to run Shortly or with further entries?
12. Any recommendation for future racing (For example, do you see this horse continuing a career either A) Over Jumps B) All Weather C) Middle East D) America/ Australia (or any other suggestions you may have)? **Versatile horse and could do anything at a level**
13. Would you consider this to be a basically sound horse with, under normal circumstances, further racing to come? **Yes**

The information below is provided by the horse owner/trainer/manager/consignor etc. and is intended to assist potential purchasers, but the information does not constitute a warranty. The Castlebridge Consignment Ltd., cannot be held responsible in the event of any dispute that may arise from the use of this information or for any errors or omissions. Potential purchasers are advised to make their own separate enquiries to establish the suitability for purpose of any horse in the Castlebridge draft. It is advised that the potential purchaser should get horses vetted before they enter the sale ring, since The Castlebridge Consignment cannot and does not guarantee the soundness and/or suitability of any particular horse

14. Any wind issues or operations? (FYI:- any operations on the Soft Palate do not have to be announced (but can be) and that includes “tie forward” or “cauterisations” but any operations for correction of Whistling / Roaring have to be announced including “Hobdays” and “Tie Backs”.) **No**
15. If sold “In Training”, does this horse have any wind issues that may cause him/her to be returned if not declared from the rostrum (eg. has been heard to make a noise)? **No**
16. Any stable vices? **No**
17. Any Colic surgery to your knowledge? **No**
18. Any other surgery to your knowledge? **No**
19. Has this horse had any problems with starting stalls, and/or requires a BHA stalls test before racing again? **No**
20. Has the horse received any recent medication or veterinary attention that should be declared to potential purchasers either at the barn or from the sale rostrum? **No**
21. Any other item that should be declared to potential purchasers either at the barn or from the sale rostrum? **No**
22. Are you aware if your horse has any allergic reactions, and if so please state (e.g. to Penicillin)? **No**
23. If Gelded, when was the notification received? **2nd July 2020**
